

Stewardship and Outdoor Skills

Thank you for registering your students in our Stewardship and Outdoor Skills – 3 CTS Course Bundle where students earn credit (through your school) in:

- ENS 1010 Introduction to Stewardship
- WLD 1130 Outdoor Survival Skills
- ENS Project A

Funding

Your school will retain CEU funding (if applicable). Your school will pay the bill at the Palisades - \$94 plus GST per person per night. (For every 20 paid, one is free).

*GYPSD rate available.

Assessment

As the teacher, you are in charge of assessing your students. There is a pre-immersion assignment provided. In addition, there is a journal provided on site. The journal is to be completed on site and a project to complete after the trip. All activities on site are curricular linked. We appreciate your feedback.

How do I prepare my students?

This attachment has live links and is meant to help you plan and execute a safe and enjoyable trip for your students.

Please let me know if you have any questions.

Sincerely,

Education Lead

(GYPSD teacher on Interchange agreement with Parks Canada)

The Palisades Stewardship Education Centre

The programs at the Palisades Stewardship Education Centre are the result of a unique partnership that is shared with all schools in Alberta!

As preparation for the course, teachers will need to:

1. Advertise and have Students Sign Up – you need at least 12 people (teachers/chaperones can be included in this number as it is the number needed for the kitchen contractor).
An overview document about the centre found [here](#).
You'll find a poster [here](#).
2. Organize bussing details, and other trip details such as permission forms. Risk Management Protocols (if needed by your division for field trip approval) are available as a [synopsis](#) or a [full document](#).
3. Finalize scheduling details, and student numbers with Paul Langevin.
paul.langevin@pc.gc.ca
4. You'll receive a spreadsheet for grades when you're on site. Please send the student list to the Education Lead.
5. Have students complete pre-immersion work and book a videoconference session with the education team if needed. The schedule and all pre-immersion documents can be found [here](#). Alternatively, access the documents individually below.
WLD 1130
 - Resource Package
 - Student BookletENS 1010
 - Teacher Timeline Activity and PowerPoint
 - Student Resource Package
 - Student BookletENS Project A
 - Post Immersion - This project is done after the trip to Jasper. Students must plan, execute, celebrate and evaluate a service learning project that addresses both outdoor skills and stewardship. When students are on site, they'll have some planning time and a section in their journal.
Examples: Litter Pick Up, Planting Trees, Creating a School Garden etc.
6. Send Dietary/Medical concerns and Room List to the Palisades Office
palisades.centre@pc.gc.ca
7. Ensure students/parents the [packing list and an understanding of the centre](#).

We look forward to having you here!
