Winter Travel 35
Assignment #1: Interpretive Guides Association basic knowledge course

Instructions:

As a pre-immersion assignment for Winter Travel 35 you will be completing your Interpretive Guides Association basic knowledge course. This course is a 4 hour overview of the mountain National Parks and your role as a guide in protecting and presenting the natural heritage of the area. There are four versions of this course focussing on the different geographic areas of the mountain parks: Waterton Lakes National Park, Banff, Yoho and Kootenay National Parks, Glacier and Revelstoke National Parks and Jasper National Park. You will be completing the Jasper National Park version.

This course will take you 4 hours to complete. You will complete the entirety of this course before arriving at the Palisades Centre for your immersion component.

To access the course go to http://www.interpretiveguides.org/main.php?p=654

You will set up an account using your email address and will need to create a password. After signing in, you can begin your course. You will work on this course individually. Please use headphones so as not to disrupt the rest of your classmates.

Don't forget your password, you'll need it to log back in to complete your course.

Winter Travel 35
Assignment #2 – Outdoor Experience Resume building

Instructions:

Take this time to update your outdoor experience resume. Think about the trips you've done since your Winter Travel 25 course and add those to the outdoor experience resume that you've been compiling. If you are interesting in getting in to the guiding industry, this document will serve as your log book so that you can prove to potential employers that you have experience.
